

# Male Genealogy of the Dutch Trommel family 1560-1976 - Public version in English [1]

The information in this file was taken from page 8-88 in "Genealogie Trommel" published in Zoetermeer, The Netherlands in 1976 by the late J.G. Trommel [125].

Numbers between brackets [ ] refer to the original numbering system, the current numbering system and index were not in the original.

This is by no means a complete translation of those 80 pages but just of the bare genealogical data.

Also a privacy filter was applied using the program Aldfaer ([www.aldfaer.nl](http://www.aldfaer.nl)) to prevent publishing information about people who might still be living in 2008.

Therefore this is a public version which may be spread freely for non-commercial purposes.

Members of the Trommel family may request a complete "private" version (without privacy filter but still containing no data past 1976), which may not be published or spread beyond the Trommel family due to Dutch and foreign privacy laws.

You are encouraged to contact Jan Trommel ( [126], eldest son of J.G. Trommel) to help him and his 25-th cousin Daniel Trommel to update the Trommel Genealogy by sending an email to [genealogie.trommel@gmail.com](mailto:genealogie.trommel@gmail.com) or [jan.trommel@gmail.com](mailto:jan.trommel@gmail.com), or by visiting their website [genealogie-trommel.nl](http://genealogie-trommel.nl)
